

24th March 2020

Dear Parents and Carers

Thank you for your continued support in these difficult times. I have been overwhelmed by the messages of support from parents.

Following on from recent letters about how we will support you over the coming weeks I am in the process of setting up an online platform for you to share the amazing things you and your children are doing at home.

You will soon receive an email from Evisense. This is an online platform that we use to show your child's progress in school. We have recently introduced this and have been trialling it before making it live to parents. Due to the current situation I think it will be good to share this with you now. I have set it up so not only will you be able to see what your child has been doing in school recently, but you will also be able to comment and post the great things you are doing at home. Many of you are sharing pictures with staff via email and others are posting on social media platforms such as FaceBook and Instagram. You will be able to use Evisense in a similar way to this. Rest assured this is not public and only you and the school will be able to see your child's profile.

To start with, you can download Evisense from wherever you normally download apps from. Alternatively, you can also use your usual Internet browser such as Google, Bing or Safari.

- You will receive an email with the title
- **Kingfisher School is now using B Squared software – Please create your account**
- in the body of the email click on the button

Create Your Account

- And follow the instructions on the screen
- When the setup process is complete go to
- <https://uk.evisense.com>
- and log in

It will take a little time for me to set up your accounts, but I didn't want you to receive the message without knowing what it is about. Although I wrote this letter much earlier, there are some glitches in the system that I am waiting for B Squared to resolve. Once this has been sorted you will receive you email.

I look forward to seeing all the wonderful things you are doing with your children.

Yours faithfully

Lorraine Wilson
