

Stories we are teaching this term:

Our story text this term is 'We're Going on a Bear Hunt'. Once we have learnt the story, we are going to write our own version with lots of different weathers to survive and get through.

Our focus for this term will be developing our enjoyment of reading through sharing some of our favourite stories.

Literacy

The children in Hawk Class will be attending various phonic groups tailored to their needs where they will develop their spelling, reading and writing skills.

In term 1 we will be focusing on our fine motor skills, developing a secure pencil grip and practising our letter formation with a view to joined handwriting for some.

Problem Solving and Reasoning

Our main focus this term will be number, place value and calculation. We will be using lots of practical activities and games to support our learning. We will also be learning about the months and seasons as part of our weather investigations.

Over-arching topic (Cold Countries)

Term 1

Hawk Class

How you Can help at home.

We would love to see all the lovely things you do at home. Remember that you can use Evisense to share this with us. Here are some ideas that you can use at home:

Measure the weather at home with some simple homemade devices.

Make some cakes or biscuits to share on a Friday in the 'Costa Café'.

We would also like you to help your child remember to bring in their favourite book for us to share at story time.

Other Curriculum areas:

Science: The children will be learning about different materials to keep us warm and dry when it is cold and/or wet.

PSHE: We will be getting to know each other and the routines in our new class group. We will also be revising and developing our knowledge of the Zones of Regulation.

Art: Using a wide variety of materials and methods to explore the idea of 'cold' in our artwork.

ICT: We will be learning about Internet Safety to think about how we can stay safe when we use the internet.

Highlights

Practising and taking part in Sports Day.
Running and being in a 'Costa Café' with our friends in Eagle class, using money and writing in a real life situation.

A new music group for some of our class on a Wednesday afternoon.
