

Stories we are teaching this term

Stories

RWI sound story
Lets take a trip- Non Fiction Text
Journey to school- Poetry
Saving Easter- Fiction

Songs:

Literacy- Storytime song
Maths- Same and different song, 5 little ducks and 5 little frogs
Art- We call it art

Literacy

Literacy: This term in Literacy we will be exploring three texts (fiction/ poetry/ non fiction.) We will be focusing on sceneries, focusing on what actions comes next and mark making using the interactive board.

Communication: This term in Communication we will be focusing on requesting objects and actions. We will be exploring transport focusing on all the different vehicles and this will include a variety of sensory and messy activities for them to request.

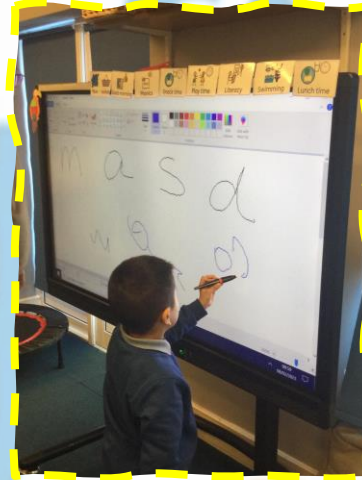

Phonics In Phonics this term we will focus on continuing to learn letter sounds, identify letters and writing them. We will introduce a group story using the picture cards from RWI where children will be able to identify the cards and practice the sounds.

Problem Solving and Reasoning

Numeracy: In Numeracy we will be looking into matching and pairing looking at same and different objects and pictures. We will continue with addition and subtraction, finishing the term with routines and times.

Time Travel Term 4

Macaw Class

Other Curriculum areas:

Here are some of the other things we are covering this Term:

Topic (Geography)- This term we will be exploring the differences between two opposite countries. We have chosen Egypt and Iceland and we will be seeing what makes them unique and the differences between the two of them.

Science- In Science this term we will be looking at pushing and pulling different vehicles, directions and road awareness, start and stop with transport.

Art/D.T- In Art this term the children will be creating different vehicles using a variety of materials and artistic tools. For example, we will be making a boat made of egg boxes.

Cooking- In Cooking this term we will be designing all kind of transport using different foods and traffic lights. Our focus is to develop our spreading, cutting, grating and chopping skills. We will also celebrate Easter and make some great chocolate tray bakes with Easter eggs.

Celebrations

We have a number of Birthdays this term which we are excited to celebrate together.

We also have a visit from Music From Autism at the beginning of term.

How you Can help at home

Keep working and using Zones of regulation.

You could take the opportunity to use different transports such as train, city bus or even the tube in London.

Upload photos and videos to Evisense.

Suggest some books related with transport to share across the school and with other parents.

Send us some photos of them in different transports.
