

### Stories and Songs:

**Wake Up!** – Out of the Arc Music

**Cooking in the Kitchen** – Bounce Patrol

**We Call it Art-** Miss Brushes Art Academy

**How's the Weather?**

**Superhero Gran** by Timothy Knapman

**A Superhero Like You** by Dr. Ranj

**Pete the Cat: Super Pete**

### Literacy and Phonics:

**Phonics-** All pupils will be working on Set 1 & 2 speed sounds, learning new sounds and consolidating their knowledge. Pupils will then be learning how to blend sounds to make a word. Pupils will read their RWI book, focusing on identifying speed sounds and segmenting words to read them.

**Literacy-** Learning about different types of Superheroes and what makes them 'super', taking part in comprehension tasks to show understanding of the story. Pupils will also be showing their understanding through mark making, copying/tracing keywords from the story, developing their tripod grip, describing what is happening in a photograph from the story.

### Problem Solving and Reasoning:

**Calculation-** Within Calculation we will be working towards pupils' ILP Calculation targets. These targets vary from identifying coins, using money in mathematical calculations to simple addition and subtraction sums, understanding and working out worded math questions and knowing that repeated addition is multiplication.

**Fractions-** We will be focusing on fractions, sharing out objects within fun situations, such as a tea party, and working out how many items we would need to share out, moving onto becoming more aware of understanding the concept of fractions.

**Geometry-** We will be learning about positional language and putting it into practice by following instructions and then using our new vocabulary to guide others.

### How you can help at home:

- Continue to work towards ILP targets at home. Let me know if you would like me to send you the document again.
- Complete chores around the house, using the washing machine, going food shopping, gardening, washing and drying dishes and changing the bedsheets.
- Focus on road safety when you are out and about.

### Other Curriculum areas:

**Theme** – Pupils will be learning to use key vocabulary within time, such as today, yesterday and tomorrow. Pupils will be identifying similarities and differences with objects that have been changed over time. Pupils will also be working on ordering events, days, and months in chronological order.

**Science-** Pupils will be learning about different habitats within the wild. The pupils will then match animals to habitats, and the food they eat. Pupils will be sorting objects and things according to the criteria of 'alive' and 'not alive'. Pupils will also be exploring moving themselves and objects by pushing and pulling and responding to questions about this.

**PSHE-** This term we are learning about mental wellbeing, physical activity and body image. We will be experiencing a relaxing sensory session, learning about what is and isn't physical activity and what our favourite physical activities are. We will learn about what we can do if we are feeling worried or stressed, comment on similarities and differences of people in magazines regarding body image & explore Purple Mash with pupils.

**RE** – We will be exploring feelings linked to the religious experience such as worship, joy and taking part in May Day celebrations.

**Careers-** We will continue to focus on 'preparing for a adulthood skills' such as helping our community through litter picking, gardening.

**Art-** We will be focusing on superheroes, making superhero masks and will make everything a hero might need including night vision goggles, super watches and even utility belts.

**D&T-** Our skill focus this term for D&T is peeling and piping. We will be practising these skills as we create edible traffic lights and even open up a pizza shop!
